Sam,

It sounds like your handling but I wanted to check in with you. Let's chat when you have a chance.

Hello Juan,

Sorry for the delay.

I am having issues with motorhomes and homeless parking in front of my house. We have always had a problem with people parking and drinking / doing drugs and other things in this area because it is dark at night. Here is some pictures of the area I am talking about. I went in to the Pacoima city hall office and Samantha from the office filled in an application online for a street light.

Regards,

[REDACTED]

Hello Sam,

Would you be able to provide more information regarding your issue as well as any information you'd like to provide regarding your BSL application. I will can definitely check on the status of the application and provide more information regarding the process and timeline.
